**All Millard parents with children
birth through age 5 are welcome**

No RSVP needed

The Millard Public Schools Early Childhood Program invites parents to join us for an evening with respected expert Carrie Gottschalk. Her presentation will address common discipline challenges and successful approaches for directing and disciplining children. End the power struggle with techniques that promote cooperative behavior (such as following directions and accepting no for an answer) and correct problem behavior (such as arguing, refusal, and tantrums).
